CONFERENCE REMARKS

Florida Elite is dedicated to the boys and girls who participate in Florida Elite and to their safety and enjoyment. The rules for Florida Elite activity of any type as published in this book are to be followed scrupulously. Failure to enforce these rules can result in legal action, dismissal and/or loss of organization. Each family and each adult volunteer in the program must be covered by excess medical and liability insurance of some type. Although participation in Florida Elite is statistically safe, such insurance should include coverage for “participant risk.” All Programs must have minimum insurance limits of \$100,000 Medical, \$1,000,000 General Liability, and \$1,000,000 Sexual Abuse/Molestation in order to participate. All Florida Elite Football activities are open to both boys and girls, including “mixed” teams. However, for the sake of convenience, these rules refer to participants as if of the male gender only.

ADMINISTRATIVE BYLAWS MANUAL

The Florida Elite Administrative Bylaws Manual, hereinafter referred to as the “administrative manual,” is designed to keep each League and Association current on all administrative matters, as well as to facilitate the daily operational management of those local organizations. This rulebook and the administrative manual ARE NOT THE PERSONAL PROPERTY OF THE VOLUNTEER, but belong to the organization, both are to be returned along with all other organization’s property, to the organization when the volunteer’s service is completed.

MISSION STATEMENT

The mission of Florida Elite is to enable young people to benefit from participation in team sports and activities in a safe and structured environment. Through active participation, Florida Elite programs teach fundamental values, skills and knowledge that young people will use throughout their lives.

GOALS & PHILOSOPHY OF THE FLORIDA ELITE PROGRAM

Florida Elite is a program operated for the benefit of its youth participants. Since 2014 the program’s philosophy has been academics and athletics go hand-in-hand. At every level, Florida Elite seeks to develop well-rounded young men and women who learn not only the fundamentals of football, cheerleading and dance, but also the importance of education, in an atmosphere conducive to developing sound mind, body and character - and having an enjoyable time along the way!

The objectives of Florida Elite are to inspire youth, regardless of race, creed, religion or national origin, to practice the ideals of sportsmanship, scholarship, and physical fitness. Florida Elite strives to make the game fun for all boys and girls. The program stresses learning lessons of value far beyond the playing or spirit days of the boys and girls involved, such as: self- discipline, teamwork, determination, friendship, leadership, and good sportsmanship. With such goals in mind, and by providing an opportunity to participate in an organized, supervised environment with emphasis on maximum safety

and participation, Florida Elite offers young men and women a unique and memorable opportunity to excel.

PART II - THE FLORIDA ELITE STRUCTURE

DEFINITIONS

S1- LEAGUE

The term “League” is a legal term to define a type of Federation and/or Conference within this document. Within this document “league” will be a reference to Florida Elite Football & Cheerleading, Inc. League shall be utilized and referenced herein place of Federation and/or Conference.

S2-ASSOCIATION

Associations are organizations that sponsor and administer one or more teams. Associations are characterized by specific geographical coverage. In cities, they often adopt commonly understood neighborhood names. In the suburbs, they usually take the town name. In rural areas, an association name may embrace an entire county (or a substantial part of it). An association’s recruiting area is approved by its League and is normally consistent with its geographical name

An association consists of a minimum of five (5) teams playing within a designated age bracket determined by the League. Associations are chartered by the league (i.e. Florida Elite Football & Cheerleading, Inc.) and are responsible to maintain and manage their independent associations. Florida Elite Executive Board members shall have the right to attend any Association function with or without notice.

S3- ADMINISTRATORS

All league & association administrators must be at least 21 years of age.

S4-TEAM

A team is the universal, basic unit of organization. At minimum, a team consists of a group of participants organized under the direction of a coaching staff in each age division.

S5-DIVISION

Division has several meanings, the most common of which refers to one of the five (5) age classifications: Rookies, Freshman, Sophomores, Juniors and Seniors.

The basic ages for each division of play are listed within this rulebook.

INTRODUCTION TO THE RULES

S1: The rules contained herein ARE REQUIRED to be enforced by Florida Elite and the associations. Failure to do so will result in penalties and/or fines as defined herein, in the Florida Elite Administrative Bylaws Manual and in any other Florida Elite Rules.

S2: For all purposes, the Florida Elite playing season shall be defined as August 1st through December 31st or the last game/competition, whichever comes first. All associations, administrative personnel, coaches, players and cheer participants are subject to disciplinary action for violations of Florida Elite rules and regulations occurring at any time during a stated playing season.

S3: NO RULES WILL BE ADDED AFTER SEPTEMBER 1st UNLESS REQUIRED FOR SAFETY REASON(S).

PART III - FLORIDA ELITE REGULATIONS

ARTICLE 1: POWERS/AUTHORITY OF LEAGUE

S1: The association has, among its powers, the obligation and authority to enforce the rules. Associations will follow all Florida Elite Rules as printed in this book or their Charter shall be in jeopardy.

S2: Associations are responsible to verify accuracy of all scores/ results prior to start of League play-offs. If an error is found in reporting, associations are responsible to correct and notify the league, to ensure the advancement of the proper team.

ARTICLE 2: BOUNDARIES

S1: Florida Elite is a competitive league. Like all competitive leagues, recruitment of student-athletes is allowed. There are NO BOUNDARIES in recruitment; however, we must respect the programs in our league.

ARTICLE 3: COACHES REQUIREMENTS

A coaching staff is in complete charge of the team whenever it is together on the practice or playing field, traveling as a group to and from practice sessions and games, or together for any team function, such as a banquet. The coaching staff is under the direction of the Head Coach; other coaches are called Assistant Coaches. All football head coaches must complete and pass the online training to be eligible to coach. Assistant coaches are required to successfully complete the online course in addition to the Head Coach. All Head Coaches who fail the online course will be immediately removed from coaching until they have successfully completed. Successful completion of the football portion is required.

The following applies to all coaches:

S1: The Head Coach and/or Football Commissioner must be 21 years or older in order to supervise at all practices, games and functions. The Head Coach can only be rostered as the Head Coach on 1 roster.

S2: An Assistant Coach must be at least 18 years of age. **A football team may have any combination of staff coaches/staff members/team parent(s), not to exceed 9 total adults including the Head Coach.**

S3: Teams are permitted to carry a Coach-Trainee, who must be a minimum of 16 years of age and a maximum of 17 years of age. These trainees and teen demonstrators under the age of 18 must include a parent consent form to be approved and receive a badge. **(Note: This individual will count towards**

coaching staff total.)

S4: Each Coaching Staff will check-in with Referee crew prior to kick off of game to determine and set approved staff on sidelines during game. **Please note:** Team will be charged with **15-yard unsportsmanlike conduct penalty for having more than the allotted 9 approved staff on sidelines!** It is noted there are times when a league representative/administrator will need to come to sidelines. **In this case, one (1) is allowed access to sidelines to handle matters (sideline issues/injuries, etc.) for a short period of time to handle issues, not to coach at all!**

S5: The Head Coach will determine the assignments of the Assistant Coaches.

S6: In the absence of a specialized, trained person affiliated with the team in the medical area (physician, paramedic, specialty trained volunteer, Certified Athletic Trainer), one of the coaches must be the holder of a current Red Cross Certificate in Community CPR and First Aid, or the P.R.E.P.A.R.E. Course by the National Center for Sport Safety (www.sportssafety.org) or its equivalent.

S7: Coaches are to be selected by methods approved by association rules and/or by-laws.

S8: Once approved for coaching for a football and cheer season, a coach is automatically terminated at the close of each season, as for as a badge holder in Florida Elite. To coach the following year, the same approval process is required. Any violation of the rules committed by a coach during the season, even though the hearing is not held until after the close of the season, is still under the jurisdiction of the sponsoring association.

S9: Coaches do not make league or association policies; they carry it out. However, on the playing and practice fields, the coaching staff is in complete charge and shall not be interfered with except in cases of rules violations and any other conduct deemed by higher authority to be contrary to Florida Elite rules and policies.

S10: The Head Football Coach has final responsibility for his/ her actions, those of his/her assistant coaches, players, staff and parents.

S11: Each association shall establish its own rules regarding the placing of coaches with sons, daughters or siblings within its own program.

ARTICLE 4: REGISTRATION

A candidate cannot begin practice with a team until he/she has officially registered. Registration consists of completing and submitting items S1-S5 in this Article in addition to any/all local required forms. The sign-up fee, if any, may be collected at this time. ARTICLE 7: VOLUNTARY CUTS

A participant shall be considered a voluntary or “self-cut” participant when he/she simply no longer shows up at practices or games of his/ her own free will. While voluntary cuts are not charged to any team for the purpose of these regulations, a coaching staff may attempt to disguise its cutting pattern by arranging practices in such a way as to discourage participants of lesser ability into quitting on their own. While these practices are not common, they have been known to occur and are considered intentional avoidance of the rules and regulations and are, therefore, punishable as a result of a hearing.

The results of this investigation shall be reported to the organization and the organization shall have final authority as to whether appropriate actions were taken.

ARTICLE 8: CERTIFICATION

S3: After the certification process is complete all rosters will be uploaded to the league's database, so all associations can have access to obtain.

S4: To be certified onto a team roster, a participant shall qualify under the following:

- A. Each association shall assign participants to the appropriate age division, which is determined by age.

S5: CONTROLLED INTER-SQUAD SCRIMMAGE: After the first week of practice (8 hours) for conditioning, and after the second week of practice (8 hours) in pads in which contact has occurred, teams may engage in joint practice sessions with other team(s) in what are called controlled inter-squad scrimmages. To avoid any misinterpretation, 16 hours of practice is required before inter-squad scrimmages may occur.

S6: Any player added after a team has formed and/or after the season has started, must be subject to the same 8 hours of conditioning as mentioned in S3 of this article.

S7: The following exercises and drills are banned from all practices and pre-game warm-ups: neck bridges (sometimes referred to as neck rolls) and bull in the ring.

All teams are recommended to have a staff member carry the entire team's medical release forms and emergency numbers for all players and spirit participants in case in an emergency their parent(s) or guardian must be reached. Having the family physician's number opposite the participant's name is also recommended.

S1- CONCUSSION RETURN TO PLAY GUIDELINES:

A Participant who is suspected of sustaining a concussion or a head injury in a practice, game or competition shall be removed from practice, play or competition at that time based on evaluation and determination by the Head Coach. However, if an official licensed athletic trainer or other official qualified medical professional is on site and available to render such evaluation, that person shall always have final authority as to removal or return to play of the participant.

When an official licensed athletic trainer or other official qualified medical professional is not present, and a parent or guardian of the injured player is serving as head coach, the final authority on removal of a participant shall rest with the league president, association president or the top ranking assistant head coach; whomever is present and highest in the Florida Elite chain of command.

Any Florida Elite participant who has been removed from practice, play or competition due to a head injury or suspected concussion may not return to Florida Elite activities until the participant has been evaluated by a currently licensed medical professional trained in the evaluation and management of concussions and receives written clearance to return to play from that licensed practitioner.

All volunteer applications and Association affidavits must be maintained by the League for a minimum of 1 year.

S3: No association shall permit any person to participate in any manner, whose background check reveals a conviction for, or guilty plea to, any crime involving or against a minor. In addition, other charges and convictions may be an indication of an unfit volunteer, and therefore an association may prohibit any individual from participating as a volunteer if the association deems the individual unfit to work with minors, as long as the association applies the same criteria uniformly for all individuals seeking to volunteer.

S4: All associations must conduct a nationwide search that contains the applicable government sex offender registry data such as the Lexis Nexis online National Criminal database search, or a government agency sponsored state search of criminal records. Additionally, if a League utilizes only a state sex offender registry check, that association must also perform a national database or a Federal background check search. I am a youth athlete.
I am brave and strong and talented.
But I'm still just a kid. I am not perfect. I am a
work in progress. I need you to be patient while
I test the limits of my body and work through the
emotions that come with success and failure.
When I make a mistake, I wonder if you'll be
disappointed. When I reach my goals, I look to
see if you are watching. I am a youth athlete.
I love my sport. You call it competition. I call it
playing the game. I want to win and have fun.
I am a youth athlete. I am YOUR youth athlete.
Winning feels great, but your praise feels
infinitely better. Please remember these things,
and I promise to do my best to make you proud.
